

3-24-14

Greetings.

Please see the attached bison hunt harvest log. There has been no hunt activity within the last week. **Therefore the total harvest remains at 316 bison since late fall 2013 (252 North side/64 West side).**

There are currently several hundred bison in the state of Montana.

Please use these numbers as an in-season indicator and let me know of necessary corrections or clarifications.

Regards,

Andrea Jones
